

Transfer Contract Curricular Requirements

Listed below are the curricular requirements for the transfer contract. For some of the requirements, you will see a list of courses at your school that satisfy the requirement. For the other requirements, you will want to choose a course in the appropriate field of study. Use the Transfer Information System (TIS) at www.uwsa.edu/tis to verify that the courses you choose satisfy the requirement. Click on the "Course Wizard" in TIS, select your school and department, and look for the GenEd symbols identified for each of the course requirements below.
