Student Visa Information & Mailing Form

VISA INFORMATION

Most international students hold an F-1 student visa. F-1 visas are nonimmigrant visas that are granted to applicants who want to pursue a full course of academic study at a U.S. university. Some students are required to hold a J-1 student/scholar visa by their sponsoring agency. To receive a UW–Madison I-20 (F-1 applicants) or DS-2019 (J-1 applicants), which is required to maintain legal status, read all the information carefully, complete all the necessary steps, and submit the required documents. Students currently in the U.S. on a Non F-1/J-1 visa and changing to a F-1 or J-1 visa, need to contact our office for further information. Contact us by email with any questions: onwconsin@admissions.wisc.edu.

COURIER MAILING INSTRUCTIONS

If you would like your I-20 or DS-2019 sent by courier mail do not go through DHL, FedEx or UPS directly. Instead use eShipGlobal a service that allows you to receive the documents through DHL, FedEx or UPS in 3-5 days. All communication will go through this service, which will notify us that you are requesting your visa documents to be sent by courier mail. You will also need to pay for this service using a credit card (Visa, Master Card, or Discover). Make sure to select “Office of Admissions and Recruitment” as the department option. Follow these steps to begin:

• Go to study.eshipglobal.com
• Create a user name and password to activate an account.
• To request a shipment, you will need your UW-Madison campus ID number.

You may request a shipment either to your foreign address or to a U.S. contact address. If your visa documents will be sent to a U.S. contact address, please include the name of the person who lives at that address. Please double check the information you submit to prevent any delays in the shipping information or credit card payment. Email the service directly if you have questions: support@eshipglobal.com.
